Fatal error!

Something *unusual* happened…

Mofuss found the LaTeX to PDF compiler in your computer but no PDF report **neither a LaTeX error log** were produced.

At this point we don't have a clue of what could have happened. Please email the .zip file in "…/Mofuss/LULCC/Logs/all_logs.zip" to aghilardi@ciga.unam.mx and Adrian will get back to you with a solution as soon as possible.

Alternatively, try to manually compile the following file: "…/Mofuss/LaTeX/Mofuss_Summary_Report.tex" using your TeX/LaTeX editor.

Your collaboration is very much appreciated as it will help us clean **rare bugs** in Mofuss version 1.0.

You can safely close this message.
